

In response to the inquiry of many telephone subscribers: "What can I do to help my service?" this advertisement is published.

When Telephone Numbers Change

Every new issue of the telephone directory contains hundreds of changes in telephone numbers.

Between directory issues many telephone subscribers do not make a record of the changed numbers they call frequently.

This necessitates the frequent calling of the Information operator and unnecessary work on the part of both subscribers and operators.

You can assist in maintaining good telephone service if a record of such number changes is kept near your telephone.

And if telephone numbers, particularly party line numbers, are eliminated from letter heads, business cards and advertising.

GALLI-CURCI AT LEXINGTON, MARCH 24

Madam Galli-Curci, who is the most popular soprano of the world to-day, will be heard in concert at the Woodland Auditorium, Lexington, Thursday, March 24.

Madam Galli-Curci made her debut in the Metropolitan Opera Company at a salary second only to Caruso.

The fame of this great soprano has spread from country to country, for the record of her success is unique in musical annals. The cities that heard her in her early days, Rome, Milan, Cairo, Alexandria, Buenos Aires, were thrilled to learn that Amelita Galli-Curci, the simple, soulful singer, who had captivated them had taken America by storm.

Her sensational success at her try-out in "Rigoletto" in Chicago, made New York burn with curiosity and the news of a successor to Patti spread like wild fire to the four corners of the globe. A singer absolutely unknown in America caught the public unaware and in a single afternoon endeared her to their hearts forever. She meant to her hearers a new celebrity in the singing world, meant, as the Tribune said: "Something in the nature of a soprano conflagration."

There are plenty good seats yet unsold for this concert and they can be secured by writing to Miss Anna Chandler Goff, Lexington College of Music, or telephoning her at 639x. (adv)

Had a Right to Come First.
Max had been hearing a great deal about the approaching arrival of a new brother or sister. One day he said to his mother: "You must love me more than the new baby, because you know me better and longer."

Advice.

Never interrupt a man when he is telling you his troubles. The pause may give him time to recollect some more.—Boston Transcript.

H. W. BORING, a well-to-do farmer, says he has gained twenty pounds and is in better general health than he has been in years, since taking Tanlac.

"Since Tanlac has overcome my troubles I have gained twenty pounds in weight and am in better general health than for years past," was the straight-forward statement made a few days ago by H. W. Boring, a prominent and well-to-do farmer living at Overland Park, Kans.

"During the two years I suffered I tried everything I knew of to get relief, but nothing seemed to reach my case until I tried Tanlac. My appetite was poor and my digestion was so bad I could hardly retain my food. Nothing seemed to agree with me; in fact, I was almost a confirmed dyspeptic. My whole system seemed to be out of shape. I would have pains across the small of my back so bad at times I could hardly move around."

"My nerve were all unstrung and I would become upset at the least little thing. I seldom slept at night and finally, became so weak and run-down that I lost weight rapidly. I was also troubled a great deal with catarrh and of mornings had to spend a half hour or more clearing up my head."

"This is just the condition I was in when I began taking Tanlac and it certainly has been a blessing to me. It just seemed to be made especially for my case. I improved from the first. My digestion now is perfect and regardless of what I eat I never suffer any bad after-effects."

"The pains across my back have entirely disappeared. The catarrh has left me, too, and my head is perfectly clear. I am no longer nervous and rest well at night. I have regained my lost weight and am feeling better and stronger than I have in years. I am going to keep Tanlac in my house so it will be handy at all times."

Tanlac is sold in Paris at the People's Pharmacy. (adv)

Ancient Wines Perfumed.
Greek and Roman wines were perfumed, generally by steeping the leaves of roses or violets in the liquor until it had acquired the odor of the flowers.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn. Instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly!

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. (adv)

Financier's First Thought.

Jud Tunkins says that if a fairy were to offer a financier three wishes the first thing the business man would think of would be to incorporate the fairy and sell stock.

CUT THIS OUT

SPECIAL NOTICE—Dr. Frederick Jacobson says that phosphates are just as essential to any woman who tires easily, is nervous or irritable, worn out or looks haggard and pale, to make a strong, robust, vigorous, healthy body, as they are to make corn, wheat or any vegetable plant grow strong and healthy. The lack of phosphates is the cause of all anemic conditions and the administration of 5-grain Argo-Phosphate Tablets will increase the strength and endurance 500% in a few weeks time in many instances. Titan Tractor Back to the Old Price \$1,000

WE have reduced the price of the Titan 10-20 to its former low price of \$1,000 f. o. b. Chicago. This is the same Titan tractor which 75,000 farmers have put into remarkably successful service—the same tractor, plus 1921 improvements and additions.

A full set of removable extension angle lugs sold as extra equipment under the former \$1,000 price is now included without extra cost. Fenders, Platform, Angle Lugs, Throttle Governor, Friction Clutch Pulley, Wide Range Adjustable Drawbar, Water Air Cleaner—all are included in the \$1,000 price.

International 8-16 and 15-30 Tractors Also Reduced in Price

Farmers who want a lighter tractor, built like a high-grade automobile but with the same sturdiness and reliability of the Titan, can now get the International 8-16 at \$1,000 f. o. b. Chicago. We have long restricted the sale of this model to a limited territory, but increased production enables us to re-

lease it to all sections of the United States. The International 15-30 tractor has been reduced to \$1,950 f. o. b. Chicago. Bear in mind that we give unequalled service, made possible through 92 branch houses and thousands of local dealers, to every International tractor owner, no matter where located.

Prices of Other Lines Reduced

Prices have also been reduced on chilled plows, tractor plows, cream separators, kerosene engines, seeding machines, International threshers, harvester-threshers, wagons, hay presses, and a number of other lines on which your dealer can give you full information.
